**Subject:** Waukesha Bypass Federal 404 Permit Application Withdrawal

Marie,

Based on our discussions at the resource agency meeting November 5 we would like to withdraw the West Waukesha Bypass federal 404 permit application (WisDOT Project ID 2788-00-01, 2788-02-00, 2788-00-02) at this time. We will be resubmitting the permit as separate applications for the state/county section (WisDOT Project ID 2788-02-00, 2788-00-02) and the state section (WisDOT Project ID 2788-00-01).

Thank you,
